

Sensational Slam-Bam BREAKFAST

Get up on the wrong side of the bed? Get back on the right side of things with Winger's World Class Breakfast. We serve breakfast until 11 a.m. daily.

Winger's One-of-a-Kind Breakfast 5.99

See if anyone else has thought of this: Two eggs, your choice, served with Winger's potatoes and your choice of toast, a fresh biscuit and jam or Endless Pancakes. Good eatin'!

Throw in a little bacon or sausage, for an additional \$1.50.

Steak & Eggs 10.99

Two eggs, made the way you like them, with an 6-ounce sirloin steak, Winger's potatoes and choice of toast or a fresh biscuit.

Country Fried Steak & Eggs 9.29

Two eggs, made the way you like them, with a country fried steak, Winger's potatoes and either toast, a biscuit or pancakes. Mmm, good!

Biscuits & Gravy 5.69

We worked and worked on what to call this dish, but decided not to complicate things too much. It's true comfort food ... flaky buttermilk biscuits smothered in country gravy with a side of two sausage patties. Mmmmm, gravy.

Unbelievable Belgian Waffles

Your choice 5.49

Belgian Waffles (plain) 4.99

You're not going to believe to variety we have to offer when it comes to our Belgian Waffles. Your choice of the following:

Strawberry Belgian (topped with whipped cream)

Bacon Belgian (bacon inside the waffle)

Sausage Belgian (sausage inside)

Pecan Belgian (pecan inside)

Sourdough French Toast 4.69

We'll just describe the ingredients and get the heck out of the way before you start drooling all over the menu: Thick sliced bread in a rich cinnamon egg batter, sprinkled with powdered sugar. Order up!

Add strawberry topping and whipped cream, just 99¢ more.

Winger's Classic Hot Cakes Endless (all you can eat) 5.95 Short Stack 3.69

We invented hot cakes. Really. Others may make the same claim, but they can't prove it, can they? They weren't with us, that day in the lab, coming up with pancakes so darn light and fluffy, we were going to call them "Fluff Cakes," until we agreed that sounded a little weird.

Add strawberry topping and whipped cream for only 99¢.

Honkin' Huge Omelet 7.49

This is the one you'll talk about until tomorrow, when you come back again. It's three eggs, with ham, bacon, onions, peppers, mushrooms and cheese, served with Winger's potatoes and either toast, a biscuit or pancakes. Spread the good word!

The Ham & Cheese Omelet 7.49

So we took a little diced ham and a little cheddar and Jack cheese and – voila! – put it together with three eggs and turned it into an omelet. We serve it with some Winger's potatoes and either toast, a biscuit or pancakes. We're geniuses!

Substitute bacon or sausage for the ham, just ask kindly.

Very Veggie Omelet 7.49

No ham; no bacon. Just three eggs, peppers, onions, mushrooms, tomatoes and cheese – served with Winger's potatoes and either toast, a biscuit or pancakes.

Peerless Pancake Sandwich 6.69

Two of those hot cakes we talk about, disguised in this case as pancakes. Then we top them with a couple of eggs and your choice of meat – bacon, sausage.

Big Shot's Breakfast Burrito 5.49

This will start your day off right, Wiseguy! Fresh eggs, cheese, salsa, sour cream, served with Winger's potatoes.

Add bacon, sausage or ham, just \$1 more.
